About the MUBS Leadership Centre

The success of a nation and indeed of an organization depends on its leadership. Leadership is thus at the center of social, political and economic success. Leadership provides vision, guidance and nurtures followers into high peak performance. Leadership is said to be coalition building, inspiring others, taking people through journeys they have never been through. Leadership makes or breaks an organization and indeed nations. Leadership is at the heart of governance and economic success. The MUBS Leadership Centre was established to develop leaders, Best leadership and governance practices.

Vision of the Centre

A Centre for research, training, development of leaders and best leadership and governance practices.

The mission of the Centre

To develop leaders and best leadership and governance practices in the region.
